Meeting ID

814 0283 6505

Passcode

520042

In-Person Location:

Keeler Fire House
165 Old State Hwy
Keeler, CA 93530

1. The meeting was called to Order at 6:10
2. KCSD Board Meetings are the first Tuesdays of the quarterly month, starting January 2026.
3. Hamish reported that Provost and Pritchard is in conversation with BLM on options of a new well on BLM land. Karen said we could ask for a "Finding of No Significant Impact" because the exploratory wells are already dug. Also, a Canadian gold firm is exploring for water, but Hamish said KCSD would not be able to provide water for them. The option of a treatment plant for Keeler is still under consideration.
4. John Bowden said things were pretty normal as far as operation of the water system.
Lucette Pollin noted that the hole near their place is still open. Steve Dickman is the contractor on the project. McMor came out and looked at the connection and said it was ready to go.
5. The water systems map to change inoperative valves is now out to bid. Bailey said he was able to manipulate 2 or 3 valves that were apparently stuck.
6. Bailey said he has a friend that can paint the name of the town on the water

tank. Keeler, CA.

7. No new options for Joint powers possibilities for KCSD.

8. Board of Director Reports

Noah Bricker

Bailey McRoberts

Karen Riggs

9. Public Comment
