**Meeting Location:** Keeler Volunteer Fire Department 165 Old State Hwy.  
Keeler, CA 93530

**Zoom Meeting**

Meeting ID: 831 3190 3465

1. Call Meeting to Order
2. Budget and Financial Update
3. Update on Request for sale of water: Northwind Group proposes to reclaim tailings from the old Keeler Mine for the Bureau of Land Management (BLM), moving the existing tailings with arsenic and lead to an onsite repository and then capping the repository. The project would require 30-40,000 gallons of water per day, trucked, for one to two months, starting in January 2024. The water would be used to keep dust levels down.
4. Update on CAPPII Clean Air Project (Well site Berm realignment)
5. Beach Insurance
6. Update on RCAC Bottled Water Delivery
7. Operations – update on Bacteriological tests
8. Board of Director Reports
  - Sheri Cosgrove
  - Myrna Tew
  - Karen Riggs
  - Bailey McRoberts
